National Intelligence Council

NIC #01158-86  
5 March 1985

MEMORANDUM FOR: Chairman, National Intelligence Council  
THROUGH: Harold P. Ford  
Vice Chairman, National Intelligence Council  
FROM: Frederick L. Wetters  
National Intelligence Officer for Africa  
SUBJECT: Thinkpiece on Sudanese Civil War

1. Attached is a thinkpiece on where I see the Sudanese civil war--also referred to as the southern insurgency--heading in 1986. This subject will be addressed to a degree in the forthcoming SNIE on Sudan, but the focus of that SNIE will be on the survival of the civilian government in Khartoum.

2. Although it is not directly in response to your special tasking arising from Secretary Shultz's memorandum, it might be useful as a partial response--together with the SNIE and current reporting--to his concerns about Sudan. You may wish to pass it to the DCI for his use with Secretary Shultz.
